

THE GREAT NORTHERN CONCRETE TOBOGGAN RACE 2017

VOLUNTEER APPLICATION

What is GNCTR?

The Great Northern Concrete Toboggan Race (GNCTR) is the largest student run engineering competition in Canada. Dating back to 1975, this competition brings together over 400 engineering students from technical institutions across Canada. These students will be given the opportunity to apply and develop their skills in design, technical writing, networking, and management by designing, building, and racing a toboggan with a running surface made entirely of concrete.

GNCTR was last held in Winnipeg in 2007. A full decade later, the 2017 Organizing Committee is excited to be carrying on the GNCTR tradition of teamwork, sportsmanship, school spirit, and innovation in Winnipeg once again. The competition will take place from **February 8 – 12, 2017**.

The GNCTR 2017 Organizing Committee will need the help of many dedicated volunteers to help coordinate all aspects of the event and keep the competition running smoothly.

What are the responsibilities of a Volunteer?

1. Volunteers will be needed for the following events:
 - Wednesday, February 8: Registration and Opening Ceremonies
 - Thursday, February 9: Activity Day (The Forks)
 - Friday, February 10: Technical Exhibition (Convention Centre)
 - Saturday, February 11: Race Day (Adrenalin Adventures)
 - Sunday, February 12: Checkout and Cleanup
2. Maintain communication with the Organizing Committee leading up to the event.
3. Attend a Volunteer Orientation Meeting prior to the event, if required.
4. Assist the organizing committee to help facilitate the daily events.
5. Help the competitors find their way to, from and around the activities each day.
6. Maintain a general understanding of the day's scheduled activities.
7. Assist with record and score keeping.
8. Brave the elements to make sure all the toboggans and riders make it down the hill safely on Race Day.
9. Keep a positive attitude at all times, and have fun!
